

FREE TASTER DAY

All Active Life Centres and facilities are open to non-members but for more frequent users and families, one of our various membership packages may be a more cost effective and practical option. We believe the best way to see if Active Life is right for you is to give us a try using our

5 STAR MEMBERSHIP FREE ONE DAY TASTER PASS

Don't worry though, we don't employ hard sell, commissioned sales people at Active Life as we believe our facilities sell themselves and that the decision should be yours. We will of course be pleased to show you around when you visit, answer any questions and then leave you in peace to enjoy your time.

Our Five centres are very different and you are welcome to visit whichever one/s you prefer on your Taster Day but remember if you do decide to join, your membership is for all five Centres including the **NEW** Whitstable Sports Centre that opens in October 2010.

Why not bring a friend? You're welcome to bring a friend along too!

To get your Free Taster Day is easy - simply complete and print off the form below and then contact the Centre/s where you would like to use your free pass telling them what day you would like to come in ...and away you go!

Important – Don't forget to bring this form with you on the day!
