 New class

 Time Change

All fitness classes can be booked via the app, online or by telephone and can be made 7 days in advance of the class. Booking is strongly advised for all fitness classes. Not only will this ensure your place in the class, but also if a class is cancelled we will be able to inform you at the earliest opportunity.

**If a booking needs to be cancelled, please give as much notice as possible to allow your place to be filled.**

Please ensure you confirm your attendance for each class by swiping in at reception ahead of the class.

On occasion it may be necessary for a class to be cancelled or for the class instructor to be changed, Active Life reserves the right to do this at anytime. Where possible advance notice will be given to those members who have booked the affected class, however where circumstances are beyond our control, this may not always be possible.

If you are new to the class please arrive before the warm-up commences, allowing appropriate time to discuss with the instructor your suitability for the class. Participants will not be allowed in the fitness studios once the warm-up has commenced. Please ensure you have read the full studio guidelines, which are located in each studio.
